Summary

I am a current Computer Science Student in Goldsmiths University of London, I've had a few years of experience with costumer service, along with a moderate amount experience in teaching/ facilitating for students. Though as I am aiming in becoming a Lecturer in the future, gaining experience within such field of work is essential. I've been working as a Private Math's Tutor and a PAL (Peer Assisted Learning) Leader within the university of Goldsmiths along with being a computer science teacher (GCSE AND ICT level) in the IRIS SCHOOL IN LONDON. Also employed by IH london as an invigilator for examinations, IELTS and OET.
